Narrative Summary:

Williamson Printing Corporation, Dallas, TX: A Complaint was filed against the Williamson Printing Corporation as a result of a September 23, 2000, EPA Compliance Evaluation Inspection (CEI) conducted under the Resource Conservation and Recovery Act (RCRA) at Respondent's Facility. Based on the Inspection, EPA found that the Respondent violated generator requirements by failing to make a hazardous waste determination. The Respondent also stored hazardous waste without a permit or interim status while failing to meet the exemption requirements for small quantity generators. EPA determined the penalty for the Complaint to be in the amount of \$17,600.
